DETAILED PROGRAM

Date: 18-07-2020

1. Introductory Speech

Speaker: Prof. Thuleswar Nath, Principal, GIMT, Guwahati

The webinar started with an introductory speech by Prof. Thuleswar Nath sir, Principal GIMT Guwahati. The speaker gave enlightenment to the positive effects of the pandemic situation and suggested the participants to utilize the time for best results. He also told about the change in this situation and the positive effects of digitization.

2. Lecture by Prof. Sunandan Baruah, Dean Engineering and Technology, Assam Down Town University (ADTU).

Title: Opportunities and Challenges post COVID-19 for Engineering students

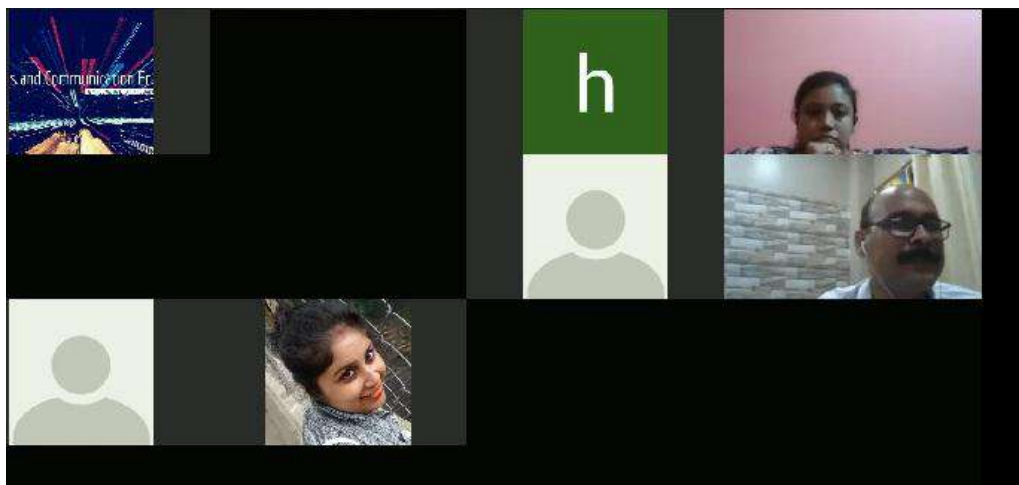

The second schedule of the webinar had Prof. Sunandan Baruah, Dean Engineering and Technology, Assam Down Town University (ADTU). Prof. Baruah discussed about the post COVID-19 job scenario of engineering students. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India's economy. Also the factors leading to industry transformation post covid have been discussed. Finally the concluding part of the lecture ended with a discussion on the sectors that will boost post covid-19 pandemic.

3. Lecture by Dr. Nripen Das, Registrar ASTU

Title: New Perspectives for engineering students post COVID-19

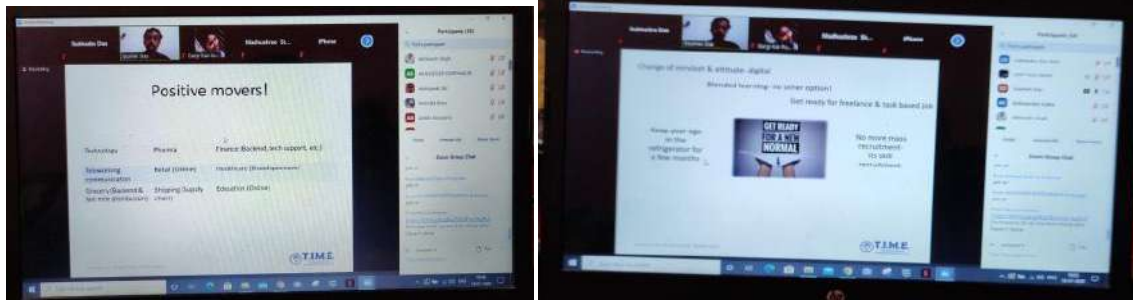

The speaker discussed about the new perspectives of engineering students during this pandemic situation and also stressed students for adapting in the online mode of teaching and learning.

4. Lecture by Mr. Soumen Das, Director, T.I.M.E, Guwahati

Title: Various alternatives for engineering students post COVID-19

The lecture started with how the engineering process works and how problems are to be solved by different branches of engineers. The speaker also stressed on the present skills in demand and discussed the different alternative options for engineers post covid-19.

ABSTRACT

Education sector has been going through a setback during the recent pandemic COVID-19. It has become a question of concern for the outgoing engineering students about their career during this pandemic situation. So measures should be taken to solve the different queries of the students and guide them through appropriate counseling and show them a path for successful continuation of their career during and post pandemic COVID-19.

OBJECTIVE

- To provide engineering graduates all possible inputs to make them realize their true potential and further enhance it to touch the highest levels of excellence.
- To help the graduates towards achieving and exhibiting their finest qualities as required for jobs.

APPLICATION PROCEDURE

Applications were invited from present students of engineering colleges (all branches), passed out students of engineering colleges (all branches), faculty members, staffs, research scholars, parents of students of the entire North-East. Registration link was shared along with the advertisement of the mentioned webinar.

In course of time we got many responses from willing participants.

ABOUT THE ORGANIZER

1. Assam Science and Technology University (ASTU)

ASTU is established on 4th January , 2010 by the ASTU Act , 2009 located at Jalukbari , Guwahati-13. The aim of the university is to bring uniform curriculum for technical education in the state of Assam.

2. Girijananda Chowdhury Institute of Management and Technology (GIMT), Guwahati

GIMT- Guwahati campus was founded on 7th September , 2006 as the first non-governmental engineering institute in Assam under the patronage of Shrimanta Shankar Academy Society. The aim of the institute is to establish a morally sound education system which not only produces competent professionals but also excellent human beings contributing towards the welfare of the society. The institute offers Bachelor of Technology (B.TECH) degree in ECE, CSE, ME, EE,CE. The other courses offered by the institute are BBA, BCA, MBA, M.TECH in Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Instrumentation and Control Engineering (ICE), and Thermal and Fluid Engineering (TFE). Gauhati University has recognized the laboratories of Electronics and Communication Engineering (ECE) Department for PhD programme. The quality of education is further recognized when five engineering programmes are accredited by NBA in 2016.

Dear Sir,

Greetings from ASTU.

I would like to inform you that Assam Science and Technology University (ASTU) is organizing "**CAMPUS TO CORPORATE**" - An online workshop aimed at enhancing soft skills, specially for facing interviews and achieving continued success in career under TEQIP-III from 11th August 2020 onward. The tenure of the workshop is 16 (sixteen) days.

Therefore, considering your significant experience in this field, I would like to invite you as the resource person for the workshop. I hope you will be kind enough to accept our invitation.

I would also request you to subscribe to a ZOOM platform package for 100 (hundred) participants so that the workshop can be run seamlessly. The amount for the same will be reimbursed upon submission of the valid bill/invoice.

regards
