A Report on Expert Talk on “Nourishing the Entrepreneurial leadership in young Engineers”

The department of Computer Science and Engineering, GIMT Guwahati in collaboration with Assam Science and Technology University, Guwahati has organized an Expert Talk on “Nourishing the Entrepreneurial leadership in young Engineers” on **10th of February 2020**. The talk was financially supported by Assam Science and Technology University (ASTU) under TEQIP III programme of Govt. of India. The venue of the event was

GIMT Guwahati. The Entrepreneurial skill development in the young engineers is less practiced in the general engineering course curriculum, but recently Govt. Of India is also motivating the people to come up with the new business / start up plan ideas through which they can make money also there will be a huge opportunity for others to get engaged to earn. This way with the help of entrepreneurial skill, one will be able to earn money for survival as well as he / she may help to increase the financial growth of the country. Keeping this mind, department of CSE, GIMT Guwahati planned for this Expert Talk to motivate the students in the field of Entrepreneurship.

For this talk, we invited Mr. A. S. S. Dewan of Indian Institute of Entrepreneurship as an Expert for the day. He is currently working as an Associate Faculty member in Indian Institute of Entrepreneurship; he is working with IIE since its inception i.e. 1994. Mr. Dewan is specialized in Behavioural Science, Entrepreneurship & Skill Development. At present he is heading all skill based activities of PMKVY 2.0, NBCFDC, NSFDC, MoDONER, and PMYUVA Pilot Project for promotion of entrepreneurship through capacity building, mentoring & handholding, awards etc. Mr. Dewan has more than 27 years of experience in the field.

The session was started at around 11AM and concludes at 1:45PM. The response of the students was very good; a total of 70 students of CSE department have attended the talk. It was a very interactive session, the students came up with their queries and they discussed the things with the speaker during the session as well as after the session too. This talk was planned just to give an little exposure about Entrepreneurship so that the students can get motivated , as we have got good response from the students, so, we would like to organize this kind of programme for the students in near future also. Some of the pictures captured during the event are attached here:

Regards,

Akalpita Das
Assistant Professor, CSE
GIMT Guwahati

NORTHEAST HACKATHON 2019

The Northeast Hackathon2019 is the first of its kind Hackathon in the Northeast India which has been planned by Assam Science and Technology University on 3rd and 4th September at Maniram Trade center. There is a need to develop the problem solving ability of students in the different sectors of the industry under the Government. The problem statements in various sectors are required to be addressed by a process where the students of the various colleges can be engaged in identification of solution to the problems, generate working on those areas, create organizations to generate employment and sustainability in the developing areas.

Hackathon is a thought process to encourage innovation amongst the students of different institutions through startup platform of the university and its affiliated colleges. A startup convention in the form of HACKATHON2018 was organized by Assam Science and Technology University (ASTU) under TEQIP III at the Institution of Engineers (India), Assam State center on 27th October '2018.

Dr. Dhiraj Bora, Honorable Vice Chancellor of the University inaugurated the Hackathon2018 with experts and judges for the competition Mr. Samir Baruah, Retd. GM, Indian Overseas bank, Mr. Amitabh Barooa , Secretary , Startup Assam , Mr. Manoj Kumar Das , DGM , NEDFI and Mr. Mrinal Krishna Choudhury, Addl. Deputy Director , Assam Energy Development Agency and Dr. Nripen Das , Registrar , ASTU.

The concept of the Hackathon2019 has been prepared with a vision of Dr. Dhiraj Bora , Honorable Vice Chancellor , ASTU to create the problem solving ecosystem across the colleges in Northeast which will create sustainable development across the various sectors through the startups.

Northeast Hackathon 2019:

Vision: To create a culture of problem solving among the students of Northeast Colleges.

Mission: To create and develop the competitive mindset for problem solving in the field of startups.

The Project had been planned in following Phases:

Project Phase:

1. **Content Creation:** Creation of the basic documentation of the Hackathon and detailing of the process where the targeted audience will be connected.
2. **Awareness:** The content will be promoted to the targeted audience.
3. **Engagement & Appreciation:** Engaging the competition process and Award distribution to best teams
4. **Operation & Execution:** To take care of the logistics and mobility of the event and participation

Content Creation :

1. Hackathon Core Committee:

Chief Advisory Committee:

Dr. Dhiraj Bora, Vice Chancellor, ASTU

Dr. Nripen Das, Registrar, ASTU

Dr. Biswa dev Phukan , Academic Registrar, ASTU

Debojit Goswami , FAO , ASTU

Dr. Aswini Baruah , Academic Consultant , ASTU

Pranjal Kumar , Project Officer , TEQIP III

Pankaj Gogoi, President , StartupAssam

2. Hackathon Advisory Committee :

Dr. Arup Kumar Misra, Director , ASTEC

Mr. Manoj Kumar Das, NEDFI

Mrinal Choudhury , Addl. Director , AEDA

Dr. Sriparna Bhuyan Baruah, Head , Center for industrial extension , IIE .

Mr. Samir Baruah, Retd GM , Indian Overseas bank

Mr. Amitabh Baruah, Secretary , StartupAssam

Mr. Sid Chowdhary , CEO , Credence LLC , Mentor , StartupAssam

Dr. Natalie Khargongar , IIM Shillong

3. Expert Advisory Committee :

4. Event Management Committee :

1. ASTU Representative.(5)

2. StartupAssam (5)

The Sectors that has been identified are :

1. Textile and Handloom

2. Tourism

3. Water Management

4. Energy , environment and sustainability

5. Food Technology

Project Phase 1 was basically framing of the ideas and communication of the programme to all the states .

SL No.	Project Phase 1
1	Identification of the 5 sectors to be chosen by ASTU for identification of problem statements.
2	Allocation of Experts for working on the sectors (Preferably 5 Sectors of various industry dept) to be proposed by StartupAssam
3	Identification of the Colleges of the Northeast India with contact numbers of Principal and Email IDs and address , Student representative of the college
4	Content Creation of the Hackathon2019
5	Preparation of the document for the Hackathon2019 which will define the mission and vision of the Hackathon2019 to be approved by ASTU
6	Preparation of Rules and Regulations of the Hackathon
7	Design of poster , brochure , Video content
8	Creation of Poster of the Hackathon
9	Creation of Brochure of the Hackathon
10	Creation of Video of the Hackathon
11	Branding of the Hackathon through different engagement programmes , Road Shows .
12	Promotion of the Event (Sales and Marketing- Social Media , Print Media)
13	Preparation for the Press Conference
14	a. Banner (Design & Print)
15	b. Media Publishing
16	c. Gifts for reporters
17	d. Food
18	e. Venue

Project Phase 2 was execution of the programme .

SL No	PROJECT PHASE 2
1	Press Conference for Hackathon2019
2	Invitation to all the 100 Colleges across Northeast
3	Invitation for Submission to the different ideas at the ASTU portal
4	Poster and Rules and Regulation circulation and Promotion of Hackathon event
5	Timeline for the students to start working for preparing on the project for the Hackathon
6	Submission of Project plan to web portal
7	Invitation to Jury Members(5)
8	Invitation of VIPs to the Hackathon
9	Evaluation of the ideas by Experts
10	Invitation for the final Ideas for presentation
11	Presentation of the ideas infront of the panel of Jury members
12	Event Management for Hackathon 2019
13	Venue
14	Gifts and Felicitation
15	Travelling Expenses of Guests
16	Motivational Speaker
17	Prize Distribution
18	Prizes
19	Co-ordination with the teams for travelling to Guwahati (300 students from 100 colleges across Assam)
20	Co-ordination with the teams for Stay in Guwahati
21	Registration Deck (team 4)
22	T Shirt Prints
23	Workshops
24	Miscellaneous
25	Press Conference / Media Release

Rules and Regulations of Northeast Hackathon

The first edition of Northeast HACKATHON by Assam Science and Technology University which is a platform for identifying the best talents across the Engineering Colleges to be organized on 3rd and 4th September at Maniram Dewan Trade center .

The competition is organized for all students across Northeast India on the following problem statements or any relevant problem statement or a idea.

Following are the 5 sectors along with newer ideas/ any new problem statement unaddressed.

1. Textile and Handloom
2. Tourism
3. Water Management
4. Energy , environment and sustainability
5. Food Technology

Following were the important notifications:

Date of Notification to Students / Startups: 29th July2019

Date of submission: 23rd August2019

Intimation to the students submitted in the process: 26th August2019

Date of the Competition: 3rd September2019

PRIZE MONEY COMPETITION:

First Prize – Rs 150000

Second Prize – Rs75000

Third Prize – Rs50000

Special Gifts and awards: Rs25000

Rules of the Competition:

1. Students were supposed to submit one presentation, Bplan , to the email – northeasthackathon@gmail.com and a google form filled by the students and participants during a specified date .
2. Travel and Accommodation shall be provided to outstation students .
3. Students should take up a similar idea or similar project in different emerging technology like Agritech, Healthcare tech, Block chain, Artificial Intelligence, Internet of Things, Smart City developments and newer technologies.
4. Students can either submit on their own or submit their presentation with their team. (You may have 2-5 members to a team).
5. Registration and submission of the presentation were scheduled on or before 30th August as mandatory and no presentation was accepted beyond this date.
6. All the participants have to prepare a two minute elevator pitch and 10 min presentation pitch round. The final presentation to be presented in front of a panel of judges.
7. The Competition date on 3th September will be judged by a panel of judges who would be scrutinizing the participants with respect to the problem statements and similar ideas / new problem statement.
8. The competition will be held at Maniram Dewan Trade center, Guwahati , Finalist of the submission will be notified to attend the programme by startup cell of ASTU.
9. Prize announcement of the programme will be announced on 4th September 2019
10. The evaluation will be based on 2min elevator pitch on 3rd September followed by a Business Plan presentation on 4th September.
11. Winners of the Competition will be incubated at ASTU Startup Cell.
12. The Contact Details of the Hackathon for any details :
 1. Pranjal kumar(8749948228)

EVENT MANAGEMENT: The Hackathon event has been a three day programme starting from 2nd September to 4th September 2019.

About the Event:

The first ever Northeast Hackathon, organized by the Assam Science and Technology University on 2nd to 4th September 2019, has been a boon for the students in the region. The event was organized under the TEQIP-III program of Ministry of HRD, Government of India, in association with Startup Assam. As a first of its kind, the NE Hackathon has been tailored toward all students, with the focus on the five sectors pertinent to the region, including Textile and Handloom, Tourism, Water Management, Food Technology, and Energy, Environment and Sustainability. The three-day event saw the Prof. Gottipolu Rajarami Reddy, former Vice Chancellor, Vikrama Simhapuri University, Nellore, as the chief guest, who applauded this initiative made by the authorities at ASTU, as defining and a key to unlocking the hidden potential of the youth of the region. Prof. Pran Hari Talukdar (of The Assam Royal Global University and former professor of Guwahati University) was a distinguished guest. Other guests included Mr. Siddhartha Chowdhury (Founder of Credence Management Solution, Washington DC), and Dr. Nripen Das (Registrar, ASTU). Prof. (Dr.) V. G. Gaikar (Bharat Petroleum Professor and Head, Department of Chemical Engineering, Institute of Chemical Engineering) was also a guest on the closing ceremony on the 4th September, along with all the above mentioned dignitaries.

Hackathon is the brainchild of Prof. (Dr.) Dhiraj Bora, Honourable Vice Chancellor, ASTU. With the vision to create sustainable development across various sectors in the region, Dr. Bora has been fundamental behind the setup of this pioneering event in the Northeast.

The NE Hackathon has been a success at encouraging innovation amongst the students of various institutes. With the hope of instilling in them, the desire and courage to develop and inculcate the startup environment, its upgradation and incubation of students across different colleges of Northeast India; the Hackathon has led the way with the intention to create a sustainable development throughout.

A sporting activity full of brainstorming, the Hackathon consists of various workshops, competitions, expert training sessions etc. Participants were encouraged to take up a concept to solve the problem statements from one of the 5 focus areas, namely,

Tourism, Food Technology, Textile and Handloom, Water Management, and Energy, Environment and Sustainability. They have been encouraged and also scrutinized on the basis of their approach to the problems, their elevator pitches, and final presentations in front of a panel of eminent experts from various sectors, thus also pushing them onto a platform where their ideas can be heard.

One of the participants of this successful Hackathon 2019 believed that this initiative has been a very innovative in helping him, as well as many other budding entrepreneurs, to interact with like-minded people on a platform, that is aimed towards the economic growth of the region. He reiterated that the event was well-planned, and the participants had not been left wanting. With gap fillers like dance and song performances, their minds had been refreshed. The participant also said that although he had expected it to be a very hectic programme, the event was organised in such a manner that the all round health – physical, and mental, was kept in mind. While pushing them to do their best, the organizing authorities never exerted any undue and thus unhealthy pressure on the participants. There has been excellent feedback throughout and the authorities to be bigger and better next year.

With over 90 teams and 500 participants, Hackathon 2019 has been a fully packed event. MTU KANGLEITRONIC, a team comprising of five students from Manipur Technical University, won the competition. They had presented a business plan on “Solar Power Cold Storage cum Food dryer”. Coincidentally, they were also rewarded the best disciplined team.

The second and third prizes were won by the teams from Indian Institute of Technology, Guwahati (IIT-G) and Girijananda Chowdhury Institute of Management and Technology, Guwahati, respectively. These top three teams were rewarded in the form of prize money – Rs 1,50,000, Rs 75,000 and Rs 50,000 respectively.

Prof. (Dr.) Dhiraj Bora has also conveyed his gratitude to all the participants for their overwhelming response and also encouraged them to pursue their passions and to work hard

Registration procedure :

Registration process: The students registered through a detailed check of their team participation. The volunteers of the hackathon arranged the details of accommodation and other related queries from the registration desk organised for the students .

A brief introduction of Financial aspects , Digital marketing , accountancy , IOT and Artificial Intelligence were discussed and shared by experts from the industry and interacted to motivate the participants of the industry .

Accommodation:

Registrations were made for all the outstation students across Northeast India at Royal Heritage. Total around 150 students stayed at the accommodation provided by the guest house.

Room conditions were very good and students had a good stay .

Registration process: The registration of the students started from 2PM , 2nd September 2019 .

The drill activity of the students was carried out by team members of Hackathon.

Student interaction and brainstorming session:

The inauguration session of the Hackathon2019 started at 10AM , 4th September2019

The chief Guest spoke about the importance of Hackathon and how it would benefit the ecosystem.

Pitching Sessions: The pitching session was done by 90 teams that participated in the Hackathon for a 10min each presentation and a questionnaire round for 5mins.

Teams entering from to the registration desk .

The judges for the Hackathon:

Students having their lunch at the venue:

The Students listening to Guest speakers on various topics like AI , IOT and upcoming technologies

Prize Distribution :

First Prize : MTU KANGLEITRONIC, a team comprising of five students from Manipur Technical University, won the competition

Second Prize : Team from IIT Guwahati won the 2nd prize of cash Rs75000.

Third Prize: The third prize was won by GMT Guwahati .

Closing ceremony of the Hackathon 2019:

The Winning Team :

With all the winners of 1st 2nd and 3rd prize:

Conclusion : The Hackathon activity has been a great achievement by the team of Assam Science and Technology University . The University has been able to create the culture of Hackathon from the first hackathon that was organised in Guwahati for Assam Colleges . The first of its kind “ The Northeast Hackathon “ have been a great event and brainstorming session covering around 350 colleges across Northeastern states .Total teams around 90 who have participated was evaluated by eminent judges and have been streamlined . The total teams who won the prizes are to be incubated at the startup cell of ASTU . The Hackathon committee wil ensure that the mission and vision of the Hackathon are achieved in due course of time.

STARTUP HACKATHON 2018

Hackathon is a thought process to encourage innovation amongst the students of different institutions through startup platform to encourage students of the university and its affiliated colleges. A startup convention in the form of HACKATHON2018 was organized by Assam Science and Technology University (ASTU) at the Institution of Engineers (India), Assam State center on 27th October '2018 from 9AM to 5PM .

Dr. Dhiraj Bora, Honorable Vice Chancellor of the University inaugurated the Hackathon2018 with Banti Prajalan with invited panel experts and judges for the competition Mr. Samir Baruah, Retd. GM, Indian Overseas bank, Mr. Amitabh Barooa , Secretary , Startup Assam , Mr. Manoj Kumar Das , DGM , NEDFI and Mr. Mrinal Krishna Choudhury, Addl. Deputy Director , Assam Energy Development Agency .

Banti Prajalan

Inaugural speech by Dr. Dhiraj Bora, Honorable Vice Chancellor, ASTU .

The programme started with the speech delivered by honorable Vice Chancellor Dr. Dhiraj Bora , who encouraged the students and participants for the Hackathon and the need of entrepreneurship for developing innovation in different areas . This followed by each of the experts sharing their experiences of startup in the field of energy, agritech, technology, banking and entrepreneurship who elaborated for different entrepreneurial stories for the development of the ecosystem. Mr. Samir Baruah shared his banking experiences about entrepreneurs how some of the success stories were made through collaborative efforts of the banking industry and how banks can support the industry .Mr. Amitabh Baruah shared about the challenges of starting up initiatives in Assam and encouraged the students to opt for entrepreneurship. Mr. Manoj Kumar Das stated about the different funds that are available with NEDFI and OIL for startup teams to look forward with their innovative ideas . Mr. Mrinal Choudhury shared about the innovative story about the solar panels installed in a pond and how energy is generated through various innovations . The Vote of Thanks was shared by Dr. Nripen Kumar Das, Registrar , ASTU who welcomed the participants and encouraged for startup activities in the region .

The registrations of the competition for Hackathon where 11 out of the total registrations submitted were 25 .The competitions had two rounds of evaluation:

1. First round is a pitch presentation round where teams were asked to pitch in front of the judges in 2 minutes time observed by a buzzer round.

2. Second Round is a PPT /Demo Presentation where teams were asked to present their demo / PPT in 10mins time observed by a buzzer round.

The competition is being judged by experts who have diversified background in the startup ecosystem.

There were different topics from students participating across the different Engineering colleges of Assam. The topics varied from integrated farming, mechanical seed planting machine, waste water solutions, asthivisarjan and different IOT based agritech models.

All the teams presented with their pitch presentation round and followed by their powerpoint presentation in the speculated time of 4hours. The Judges evaluated based on the presentation the final winners of the competition.

Participants presenting their idea in front of the judges.

Judges observing a physical model of smart irrigation through IOT model

The first prize was won by Medi Hub of NITs Mirza by Mr. Santanu Saha which is a medical end to end solution with IOT and Artificial Intelligence. The second prize won by a team of GIMT Guwahati comprising of team members Mr. Prasanta Das , Mr. Rishiraj Kashyap , Miss Sahini Roy , Mr. Utpal Barman who demonstrated AUTOMATIC TOMATO LEAF DISEASE DETECTION using Computational neural network . The third prize was won by two Teams : A Team of Bineswar Brahma Engineering College , Kokrajhar comprising of Mr. Kumar Abhijit, Mr. Soumya Deep Sarma , Mr. Madhurjya Deori , Mr. Manas P Chakravarti who demonstrated with INTEGRATED FARMING MACHINE FOR PLOUGHING ,SEED SOWING AND WATERING techniques . Second team by a team of GIMT Guwahati comprising of team members Mr. George Bhokta , Mr. Kongkan P Saikia , Mr. Abhinab Saikia , Mr. Ambar Kashyap , Mr. Bedanta Deka, Mr. Akash Chetry who demonstrated smart farming solutions with IOT application .

The Judges announced the prizes and encouraged everyone to participate more in these kind of competitions so that they can learn through these experiences and prepare for their life journey as an entrepreneur as well as a professional in their career ahead .

Group photo with the teams

Prize distribution Ceremony:

Prize distribution ceremony was organised on 3rd November '18 at the conference hall of Assam Science and Technology University , and welcoming the startups to be a part of the first members of the Startup Cell of the University where they would be mentored and incubated .

The winning teams presented their idea in front of honorable Vice Chancellor, ASTU .Honorable Vice Chancellor handing over the First Prize of Rs50,000 and a certificate to Mr. Santanu Saha of Medi Hub from NITS Mirza .

Second Prize to Team GIMT Guwahati winning a prize money of Rs40000 and certificates .

Third Prize by team from Bineswar Brahma Engineering College winning Rs10000 and certificates.

Third Prize shared by a team of GIMT Guwahati winning a prize money of Rs10000 and certificates.

Dear All,

Greetings from ASTU!!

Assam Science and Technology University is pleased to inform you that we are going to organise a one day talk on **"Innovative Entrepreneurship and Start up Culture"** for the benefits of students and faculty of the university and its affiliated colleges/institutes on **22nd January 2021** under TEQIP-III programme from **11.00 am to 1pm**.

The programme shall be addressed by Mr Bhawarlal Agarwal, Managing Director Mechfab Engineering Industries Pvt Ltd.

Therefore, you are requested to join the link given below.

ASTU Guwahati is inviting you to a scheduled Zoom meeting.

Topic: "Innovative Entrepreneurship and Start up Culture"
Time: Jan 22, 2021 10:30 AM Mumbai, Kolkata, New Delhi

Join Zoom Meeting

<https://us02web.zoom.us/j/89595889143>

Meeting ID: 895 9588 9143

Passcode: 158430
