Administrative work flow for Affiliation Process

1. Dealing Officer of Academic Registrar Office will get email notification after successful registration by college.
2. Dealing officer will send the form, payment receipt and NoC to Academic Registrar for approval
3. Academic registrar will send it to Academic consultant, Registrar, FAO, Controller of exam etc. for comments.
4. Comments will be added by approved officers
5. After getting comments from required officers, Academic Registrar will then send the same information with adding some additional note and choosing option for presentation needed or not, to VC.
6. VC will approve or reject and send to Academic Registrar
7. Academic Registrar will send it to Dealing Officer to Schedule meeting for presentation.
8. Dealing Officer will schedule the Presentation.
9. Then college will see the presentation schedule on the status and If status is OK, affiliation form will be filled by College
10. If presentation is successful inspection status will be set
11. If yes College will pay the fee for inspection. Email message will be received by Finance and dealing officer
12. Dealing officer will view and send the payment details to academic registrar.
13. A panel Member will be created by dealing officer and I send it with a note to the academic registrar
14. Academic Registrar will take the approval of expert panel from VC.
15. VC will select the team members for inspection visit and send it to academic registrar
16. Academic resister will send it to dealing office with addition note if required
17. Dealing officer will update the status of inspection visit schedule to college

NATIONAL ACADEMIC DEPOSITORY

National Academic Depository (NAD) is an initiative of Ministry of Human Resources Development, Govt. of India (MHRD) to facilitate digital issuance, storage, access and verification of Academic Awards issued by Academic Institutions. NAD is a Unique, Innovative and Progressive initiative under "Digital India" theme towards achieving Digital enablement of the Education Records. NAD aspires to make the vision of Digital Academic Certificates for every Indian a reality. This touches the lives of Indian youth and empowers them with Digital, Online, Trusted, Verifiable Certificates which are accessible in a secure manner at all times. NAD promises to do away with difficulties / inefficiencies of collecting, maintaining, and presenting physical paper certificates.

The National Board of Accreditation (NBA) is one of the two major bodies responsible for accreditation of higher education institutions in India, along with the National Assessment and Accreditation Council (NAAC). NBA accredits technical programmes, such engineering and management programmes, while NAAC accredits general colleges and universities. NBA is a full member of the Washington Accord. The Washington Accord is an agreement between bodies who accredit or recognize higher level engineering qualifications.
