

DETAILED REPORT ON VARSITY WEEK 2025 “UTOPIA”

**ASSAM SCIENCE AND TECHNOLOGY UNIVERSITY
JALUKBARI, GUWAHATI – 781013, ASSAM**

INTRODUCTION

Assam Science and Technology University (ASTU) Varsity Week 2025, named “UTOPIA”, was a vibrant three-day event organized from 9th April to 11th April 2025. It was a celebration of talent, culture, sportsmanship, and unity among students. The event served as a platform to showcase the diverse interests and abilities of the in-campus students of the University, fostering both competitive spirit and camaraderie.

OBJECTIVES

The primary objectives of Varsity Week “Utopia” 2025 were:

- To foster a sense of unity and belongingness among students.
- To encourage participation in extra-curricular activities.
- To identify and nurture hidden talents.
- To provide a platform for collaboration and healthy competition.
- To promote as well as preserve the rich Assamese culture heritage.

MOTTO OF “UTOPIA”

The motto of “Utopia” is “Beyond Horizon, Beyond Imagination.”

MEANING OF “UTOPIA”

The word “Utopia” conjures images of an unattainable paradise. Here at ASTU, Utopia is a living, breathing reality. It is a Parthenon – a sanctuary where tradition and progress converge. A place where science shakes hands with culture, innovation with heritage and technology finds its soul in art in order to build a better world.

VISION OF “UTOPIA-25”

Utopia 2025 is a call to transcend boundaries. It invites young minds to become “Polymaths”- thinkers who master algorithm and adore Assamese folk songs, innovators who code by day and use their creativity to make the world a better place to live. Through ‘Utopia-25’ a small effort was made to honor Assam’s rich traditions while forging breakthroughs in robotics, AI and sustainable technology.

MISSION OF “UTOPIA-25”

- To ignite curiosity by celebrating Assamese culture with manuscript exhibitions and literary festivals.
- Building unity in sportsmanship, collaborative workshops and cultural exchanges.
- Champion integrity by embedding secularism and ethics into every event.

THEME OF “UTOPIA-25”

The theme of Utopia-25 resonates with the soul of Assam: “Heritage of Assamese Culture”- a celebration of our language, heritage and identity. A celebration made even more historic by the Government of India’s recognition of Assamese as a classical language, a Dhrupadi treasure, timeless and eternal for having high antiquity and valuable, original and distinct literary heritage for over 1500 years.
